

InfoPET National Registry Database Transfer of Ownership Form

Use this form to **transfer ownership** of a pet already registered in the InfoPET National Registry Database. If the pet has not previously been registered with InfoPET, please fill out and submit a Registration Form or register your pet on-line at www.InfoPET.biz. Please call 952-890-2080, Ext. 100 if you have any questions.

In order to register as the new owner of a pet that is currently registered with InfoPET, we require a signed transfer of ownership letter or form from the current owner. The letter or form needs to include the pet's microchip number, the name of the registered owner, the name of the new owner, and the signature of the registered owner. The letter/form can be either:

- 1) Mailed to InfoPet Registry Dept., 11401 Rupp Drive, Burnsville, MN 55337.
- 2) Faxed to 952-890-2054.
- 3) Scanned & attached to an e-mail (Registry@InfoPet.biz).

The signed transfer of ownership letter or form is required for security reasons to ensure that the pet has not been stolen or mistakenly adopted.

If you adopted your pet, please send us a copy of the adoption papers from the animal shelter or humane society that will verify that you are now the legal owner of your pet.

Once we have received the transfer of ownership letter/form or adoption papers, you can register as the pet's new owner. You can register on-line at www.InfoPET.biz or call us at 952-890-2080, Ext. 100 to register via phone using your Visa or MasterCard.

The cost is \$25 for as long as you own the pet, with never a charge for information updates. Several weeks after you submit your registration application you will receive a registration confirmation letter in the mail. Additional pets you own, either now or in the future, can be registered for only \$10 each.
